

PROVIDING QUALITY
AND COMPASSIONATE
HEALTHCARE

“The Sunset Clinic”
Established 1968

Medical Clinic of Houston, L.L.P.’s
implementation of

Epic’s

Electronic Health Records (“EHR”)
is complete.

We now offer **EPIC’s**

Patient Portal.

Your MCH visits, from May 2023 forward,
will be available in MyChart.

**Please have patience with our Doctors
and Staff throughout this process.**

MyChart, hosted by Houston Methodist’s Community Connect program*, provides a convenient, online way to manage your healthcare visits with MCH provider(s) and other healthcare entities using EPIC. This EHR system leverages Methodist Hospital’s referral network and allows organizations to coordinate patient care.

Using your digital devices, you can safely and securely access your medical records, including lab tests, medical imaging, prescriptions, vaccinations, physician referrals, and more, via **HoustonMethodist.org/mychart**
